T 7 AR time conditions have obliterated "party" lines in intercollegiate rowing and this spring will see the Poughkeepsie and New London regattas superseded by a new and bigger event than either, on the Severn at Annapolis. Columbia, Pennsylvania, Princeton, Yaie, Harvard and the Navy are the prime movers in this latest and inevitable development of rowing interest, and when the crews line up, probably on May 25, Cornell and Syracuse undoubtedly also will be found in the struggle. The raining camps, getting ready for their combined classic is the realization of an ideal, the fruition of an idea and the baseball training camp because rather a tame affair if not a side.

The Severy regards under the deficit of the American Henley on the Schuylkill.

ment of rowing interest, and when the crews line up, probably on May 15, how may 15 be common in this latest and inevitable development of the struggis. The common of the struggis of the colleges arow in the struggis of the colleges arow in the culmination of an realization of an ideal, the fruition of an idea and the culmination of an realization of an ideal, the fruition of an idea and the culmination of an realization of an ideal, the fruition of an idea and the culmination of an realization, which in past years has held the American Henley of the Schuglish of the culmination of an open structure of a "reversion to type". The Severn regatar really will be in the nature of a "reversion to type" as held every year on Lake Serators, nearly trained and the point of the point mes rather a tame affair if not a side sue is the first term of a "reversion to type" is sue. But it, too, has its purpose. Experiences abroad have tended to prove by intercollegiate rowing. In the long ago, before the colleges broke into the poulation backs are not as of the poulation backs are stating on the poulation backs are stating on the poulation of the poulation backs are stating on the poulation of the poulation backs are stating on the poulation backs are stating or the poul western big league clubs are skating or thin lee, the war has brought baseball to the forefront as nothing else in the history of the game.

To-day at Hot Springs nine of the leading members of the Glants are stated to take the baths and take light training intended to fit them for the pare strenuous work at the regular will be every and colleges which do not want to bring along their own shells will be tendered the use of the Navy's extra beets. It will be a regular will be tendered the use of the Navy's extra beets. more strenuous work at the regular will be tendered the use of the Navy's extra boats. It will be a regatta amp at Marlin later in the month. The New York National League team is the often has given expression—a regatta on the home waters of one of the contesting institutions, far from the madding crowd.

around for a week and getting their inuscles limbered up for the Braves training trip.

Alexander and several other pitchers of the Cubs also are taking the baths at Bot Springs for the purpose of getting trip.

However, how much better would a regard on the Hudson serve the colleges. The colleges the correspond to the colleges the colleges the correspond to the serve that the colleges the correspond to the serve that the colleges the correspond to the purpose of getting the colleges the correspond to the serve that the colleges the correspond to the purpose of getting the colleges the correspond to the serve that the colleges the correspond to the colleges the correspond to the colleges the correspond to the colleges the colleges the correspond to the colleges the Het Springs for the public! Why go down to An-boiled out before accompanying the Chi-cago club to Chicago. the colleges, the oarsmen, rowing and the public! Why go down to An-napolis when Poughkeepsie is twice as near to more than half of the field? Why go where nobody will look on? What finer spectacle than eight crews straining every inch along the broad expanse of the Hudson, with 100,000 throats straining to give the sweep swingers that encouragement out of which is born the power to do wondrous deeds. We may be overemphasizing the spectacular, but fair sport means the greatest good to the

### A Championship Now in Everything Except Golf.

The Annapolis regatta will decide a rowing champion, the intercollegiates on Franklin Field will decide a rowing champion, the intercollegiates on Franklin Field will decide a track and field champion—we now are assured of champions in practically every organized amateur sport except golf. The intercollegiates on May 11. No dual of champions in practically every organized amateur sport except golf. The intercollegiates on May 11. No dual decision of the Intercollegiate Association of Amateur Athletes of America meets have been definitely arranged as the new manager, Miller Hug- on Saturday, whereby the championships will be held on Franklin Field on yet but if enough men report for pracfincluding a bunch of rookies.
